Our Credit Union partners with United Wholesale Mortgage (UWM) and offers some of the lowest fixed-rate first mortgages in the country. In addition, if you get a fixed-rate first mortgage through FedFinancial, you will see that we now work with the #1 consumer rewards loyalty program, Bilt, to be able to offer you a mortgage that rewards you every single month.

Rewards Without Behavior Change

Pay your mortgage like you always do and earn Bilt points every single month.

Real Benefits – No Fluff

Bilt Points can be used in your local neighborhood on things like fitness classes, the pharmacy, your favorite restaurant, travel or even paying down your principal balance.

Easy Payment Options

You can make your digital payments through the Bilt app or on desktop by connecting directly to your account, using a debit card or credit card.

FedFinancial Supports FDA Employee Events

As the Credit Union serving the White Oak Campus, FedFinancial participated in three events for employees working on campus during the second quarter of the year.

In April, FedFinancial provided giveaways to employees and their children on **Bring Your Child to Work Day**, while also providing important knowledge to employees about the benefits offered by the Credit Union.

In May, the Credit Union provided liquid assets (bottled water) to participants in the **19th Annual FDA Classic**.

In June, the Credit Union also offered free items to FDA employees and their family members and discussed the low-rate loans and high dividend rate savings accounts offered by the Credit Union at **FDA Family Day**.

As Interest Rates Rise, Our Auto Loan Rates Stay Low and Attractive
